? Patch Notes

All game updates, newest first. Help keep this section up to date by adding the latest patches.

How to add a patch

1. [Create an account](#)
2. Go to the correct year chapter
3. Create a new page titled with the version, e.g. *v1.23 — May 2026*

📄 **This page is a stub.** [Create an account](#) and help fill it in!

Revision #2
